FAQ

---

Now we have a play station and other high-end games around, but we still miss those games which we use to play back in our childhood.. And when unable to buy the latest game, we use to hire it for a few days and return after playing.. ‘Who can collect the maximum games’ was the biggest competition among friends and cousins.

2. [emulators for iphone](#)
3. [emulators for chromebook](#)

But now you might be thinking there are so many emulators in the market, how would we know which one is best? So to solve that little issue, we have listed down some of the best emulators for your pc, laptop, computer or mac book.. Super Mario, Contra, and Metroid, nostalgic enough? Being a 90’s kid, we have seen the technology change.

## emulators for pc
